Imagine:

... Waking up one morning to learn that your mommy or daddy has died.

... Being a child and losing your hair because of chemotherapy and feeling too sick to play.

Experiencing death, serious illness and despair is often overwhelming, but there is always hope, and since 1996 there has been *New Hope for Kids*.

The Season for Giving

New Hope for Kids goal is to provide our kids' gifts to make their Holiday a memorable one. Many of our families due to death of the wage earner or medical expenses of a child with a life-threatening illness cannot afford the extras for the holiday season in their budget.

How You Can Help

You can contribute to the happiness of our kids and bring the magic of the season to them by helping fill **Santa's "BAG OF HOPE"**. Toys will be distributed to parents starting December 19th.
